3rd Step: _____

2nd Step: _____

1st Step: _____

A career is made up of many steps. Firstly, utilising the WOLTI self-guided Career Orientation Tool, discover your ultimate job and using this as your primary goal designing your career one step at a time.

1st Step: This step is something you can do “now”, taking into consideration your present circumstances such as current skills, transferable skills, level of education and personal situation. Some of the things you can consider are Entry level position in the industry you are interested in, if you need to you can start with a Survival job to get yourself in a stable financial position first, you could take up an Apprenticeship or

NOTE: Full document will automatically be made available after completion of My Career Walk’s Self Guided Career Selection Tool.
